

## REMARKS

Pursuant to 37 C.F.R. § 1.312, this paper is an Amendment After Notice of Allowance and Fee(s) Due mailed January 8, 2007.

Claims 23-29 and 31 are pending in this application and have been previously allowed.

Applicants have amended the claims to resolve several unintentional, typographical and/or grammatical errors. For example, the claims have been amended to consistently spell the word “moveable”. Claim 25 has been amended from “...a top wall...” to “...the top wall...”. Claims 23, 29, and 31 have also been amended to expressly recite “...the baffle plate...” as being “...the moveable baffle plate...” No new matter has been added. As these amendments are not believed to change the scope of the allowed claims as examined, it is respectfully requested that they be entered in accordance with the intention of 37 C.F.R. § 1.312.

Upon entry of this paper, claims 23-29 and 31 will remain pending in this application.

## ALLOWABLE SUBJECT MATTER

Claims 23-29 and 31 have been previously allowed as indicated in the Notice of Allowance and Fee(s) Due mailed January 8, 2007. Said claims are believed to remain allowable.

## CONCLUSIONS

Upon entry of this paper, claims 23-29 and 31 will remain pending in the instant patent application. Reconsideration and approval of this amendment is respectfully solicited.

Respectfully Submitted,  
HENRY, et al.
